SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

Situation Overview

- **California State of Emergency Proclamation**

On 03/04/20, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Global Health Advisory**

On 08/06/20, in close coordination with the U.S. Centers for Disease Control and Prevention (CDC), the Department of State lifted the Global Level 4 Health Advisory. The Global Advisory, initially put in place on 03/19/20, advised U.S. citizens to avoid all international travel due to the global impact of COVID-19. For more information visit: <https://www.state.gov/>.

- **State Executive Order N-33-20**

On 08/28/20, California introduced a blueprint for reducing COVID-19 in the state with revised criteria for loosening and tightening restrictions on activities by counties. Visit [Blueprint for a Safer Economy](#) for more information and to check the status of a county. This blueprint included a health equity metric to be used along with other metrics to determine a county's tier. The purpose of [Equity Metric](#) is to ensure California reopens its economy safely by reducing disease transmission in all communities.

- **CDPH Statewide Travel Advisory**

The California Department of Public Health (CDPH) has issued a new Travel Advisory superseding the 11/13/20 guidance. Californians should avoid non-essential travel to any part of California more than 120 miles from one's place of residence, or to other states or countries. Non-essential travelers from other states or countries are strongly discouraged from entering California, and if they do, should adhere to quarantine procedures. All persons arriving in or returning to California from other states or countries should self-quarantine for 10 days after arrival, except as necessary to meet urgent critical healthcare staffing needs or engage in emergency response.

SITUATION SUMMARY

Coronavirus Disease 2019 (COVID-19) (Continued)

Confirmed Global COVID-19 Cases – Per Worldometers COVID-19 Live Updates as of 01/30/21 at 1100 hours:

- 102,860,087 (+537,957) total confirmed cases in 219 countries and territories.
- 2,221,933 (+15,705) total deaths.

Confirmed United States COVID-19 Case – Per Centers for Disease Control and Prevention (CDC) as of 01/30/21 at 1000 hours:

- 25,780,144 (+164,876) total confirmed cases.
- 435,151 (+3,532) total deaths.

Confirmed California COVID-19 Cases - Per Medical Health Coordination Center as of 01/30/21 at 1100 hours:

- 3,224,374 (+18,427) total confirmed cases.
- Please see attached California Health & Human Services (CHHS) Agency / Cal OES Joint Situation Report for additional details.

Atmospheric River Event

On 01/25/21 at 1000 hours, due to growing concerns of debris flows in recent burn scar areas with increased precipitation in the area, Emergency Operation Centers are activating in support for potential impacts.

Activations

- Monterey County Emergency Operation Center (EOC) activated to Level 2.
 - Operational Period: A Shift – 0800-2000 hours, B Shift – 2000-0800 hours
- Mendocino County EOC activated to Level 2.
 - Operational Period: A Shift – 0700-1900, Duty Officer – 1900-0700 hours

Deployments

- 1 Cal OES Coastal Region Emergency Services Coordinator (ESC) to Monterey County EOC (Virtual)

Proclamations

- On 01/27/21 at 1432 hours, Colusa County submitted a Proclamation of a local emergency due to the Atmospheric Weather event. Colusa County has no requests from the State at this time.
- On 01/27/21 at 2124 hours, Madera County submitted a Proclamation of a local emergency due to the Atmospheric Weather Event. They are requesting CDAA.
- On 01/29/21 at 1254 hours, Monterey County submitted a Proclamation of a local emergency due to the Atmospheric Weather event, Monterey County has no requests from the State at this time.
- On 01/29/21 at 1307 hours, the City of Sacramento submitted a Declaration of a Local Emergency due to the Atmospheric River event, the City of Sacramento is requesting State and Federal assistance.

SITUATION SUMMARY

Atmospheric River Event (Continued)

Evacuations

- Mandatory Evacuations
 - Monterey County: 255 (-7,675)

Shelters / Non-Congregate Shelters

- American Red Cross will be providing vouchers for hotels for evacuees:
 - Monterey: [1 Hotels, 9 Rooms, 11 Individuals](#)
 - Tuolumne: [2 Hotels, 8 Rooms, 35 Individuals](#)

Critical Infrastructure

- **PG&E**
 - As of [01/31/21, 0950](#) hours, there are approx. [16,000](#) customers without power
 - Still assessing damage and will look to provide an initial estimated time of restoration is to be determined

CALIFORNIA 911 SYSTEM

California 911 Outages

Northern California	Central California	Southern California
No 911 Outages	No 911 Outages	No 911 Outages

9-1-1 Outage/Remote/Community Isolation

Community Isolation, Lomita, Los Angeles County (Final)

On 01/30/21 at 0812 hours, Charter Communications reported a Community Isolation affecting 1,373 VoIP users in Lomita CA (90717). The cause of the outage is due to a network fault.. **Update:** At the time of this report, the total number of affected VoIP users has decreased to 626.

Time Outage Started: 01/30/21, 0225 hours

Time of Resolution/Restoration: TBD – Full restoration has not been completed

Total Outage Time: TBD

Jurisdiction(s) Affected: LASD - Lomita

Reason For Outage: Network Fault

Wireless Users Impacted: No

Wireline Users Impacted: No

VoIP Users Impacted: Yes

Community Isolation, Multiple Areas, Los Angeles County (Initial/Update/Final)

On 01/30/21 at 1009 hours, Charter Communications reported a Community Isolation affecting 33,251 VoIP users. Outage Zip Codes: 90248, 90248, 90501, 90710, 90502, 90744, 90717, 90505, 90732, 90731, Approximate Areas Impacted: Wilmington, Gardena, Torrance, Harbor City, Lomita, San Pedro **Update:** Charter technicians have now been allowed access to the damage location to begin their repair. **Update #2:** Charter Communications reported that the communities remain isolated. Charter technicians are continuing their efforts to repair the damaged cable. Some services have restored - the last report of affected number of VoIP users decreased to 25,188.

- Time of Resolution/Restoration: 01/31/21 0645 hours
- Total Outage Time: 28 hours 24 minutes
- Jurisdiction(s) Affected: LASD; Torrance PD
- Reason For Outage: Damaged cable
- Wireless Users Impacted: No
- Wireline Users Impacted: No
- VoIP Users Impacted: Yes

CALIFORNIA 911 SYSTEM

9-1-1 Outage/Remote/Community Isolation (Continued)

Community Isolation, Nipomo, San Luis Obispo County (Initial/Final)

On 01/31/21 at 0053 hours Charter Communications reported that a Community affecting 1,324 VoIP users in Nipomo, CA (93444) was isolated due to a power outage. Power has been restored and the community is no longer isolated.

- Time Outage Started: 01/30/2021 14:45 PST
- Time of Resolution/Restoration: 1/31/2021 00:40 PST
- Total Outage Time: 7hrs, 55 minutes
- Jurisdiction(s) Affected: San Luis Obispo Co Sheriff
- Reason For Outage: Power outage
- Wireless Users Impacted: No
- Wireline Users Impacted: No
- VoIP Users Impacted: Yes

Service Interruptions

- None reported

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- A warm moist airmass will spread across northwest California through Monday night. A long duration of heavy rain will be possible as a result.
 - 3 to 5 inches of rain is expected across most coastal and valley locations, with higher amounts from 6 to 9 inches possible across southwest facing mountains and ridges.
 - Heavy rain combined with saturated soil and melting snow across the mountains will contribute toward possible flooding.

SOUTHERN CALIFORNIA

- Nothing significant to report.

Active Weather Warnings, Watches and Advisories by County:

<http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

WEATHER KEY POINTS

01/31/21 - 02/06/21

Sunday-Wednesday

- A weak, but prolonged atmospheric river event is ongoing across northern California and will continue through midweek
 - Strong winds are likely across far northern California through Monday afternoon, and over the Sierras for Monday and Tuesday.
 - An extended period of moderate to locally heavy precipitation, combined with saturated soils and additional runoff from snowmelt, is forecast to bring significant river rises to mainstem rivers and a potential for small stream and creek flooding across Trinity County, Mendocino County, Siskiyou County and Humboldt County through Tuesday (through Wednesday for western Siskiyou County)
 - A short break in rain is expected for much of northern California overnight before returning Monday morning
 - Urban areas could see significant ponding of water in low lying areas or areas with poor drainage
 - No recent burn scars are expected to receive any notable debris flow concerns at this time
 - Travel impacts are expected in the mountains of northern California due to heavy accumulating snowfall Sunday through Wednesday, with the heaviest snowfall over the Sierras late Monday and Tuesday
- A cold front will drop into southern California Tuesday and Wednesday, bringing light rain and gusty winds to southern California
 - No notable impacts are expected

Thursday-Saturday

- Northerly offshore flow may develop across southern California on Thursday, but no significant weather impacts are expected at this time

CALIFORNIA WEATHER IMPACTS
